

## **2023 General District Commercial**

At Mission CISD, we know that fueling brains at an early age sets the best foundation for learning.

We know that sometimes the best classroom is not really a classroom at all.

We know that sometimes learning means getting your hands a little dirty.

We know it's important to be able to explore interests and find ways to express yourself; and

We know the importance of feeling safe at all our schools.

At Mission CISD, we know that their future is our mission.

## **2023 Elementary Schools Commercial**

At Mission CISD, changing the world is about caring for the whole child by providing enriching before, and after-school care.

It's about quality neighborhood schools and offering a choice of specialty academies.

It's about supporting students' overall well-being and making sure your child feels safe at our schools.

At Mission CISD, their future is our mission.

## **2023 Middle School Commercial**

At Mission CISD, changing the world is about making sure the middle schools years encourage students to explore their interests.

It's about getting a head start with high school credit and expanding opportunities to express yourself.

It's about having specialty academies of choice.

It's about knowing the support is there when you need it.

At Mission CISD, we know their future is our mission.

## **2023 High Schools Commercial**

At Mission CISD, changing the world is about laying a strong foundation for college and career options.

It's about offering unique early college choices at all our high schools.

It's about being able to earn professional certifications.

It's about opportunities to express yourself, and about making great memories and friendships that last a lifetime.

At Mission CISD, we know that their future is our mission.
